

Please note the following addition to the policies of Northern Ireland Fencing, relating to overdue and unauthorised debts. This policy comes into effect immediately and is applied to all current and future debts.

1. Northern Ireland Fencing reserves the right to refuse an individual's selection to any representative panel and any other Northern Ireland Fencing event (competition, training event, etc.) if, at the relevant date of selection or participation, that individual has an overdue* and unauthorised debt to Northern Ireland Fencing or British Fencing.

2. Additionally, Northern Ireland Fencing reserves the right to inform the Governing Body of that individual's home nation (e.g., Fencing Ireland, Home Countries, etc.) of an overdue or unauthorised debt, should that individual participate or be selected for any event under that nationality.

**Overdue debt will be considered one that has not been paid within 30 days of notification that an amount is owed to Northern Ireland Fencing or British Fencing.*
